Arts Programs Policies

Communicable Disease Prevention Plan

What is a communicable disease?

- It is caused by germs like bacteria, viruses, fungi and toxins.
- It can be spread from person to person through bodily fluids, contaminated surfaces and objects or through the air.
- Examples of communicable diseases include a cold, a flu or a cough.

How does the Richmond Cultural Centre prioritize the health and safety of participants and staff?

- By requiring any program participants who show symptoms to stay home.
- By having hand sanitizer and masks available upon request.
- By encouraging handwashing.

Anyone displaying symptoms of respiratory illness will not be permitted to participate in Arts Programs.

Late Arrival

Instructors will leave their door ajar for the **first 10 minutes of class**. If you arrive within this time, please quietly join the class.

After this time, the instructor will close the door and late arrivals **will not be admitted**. This 10-minute mark is at the instructor's discretion as they use the clocks in the studio.

While we understand unforeseen circumstances may occur from time to time, it is important for us to respect the instructors, students and other parents who arrive on time for class.

Consistent lateness could result in being withdrawn from the program.

Late Pick Up

Children must be picked up on time, at the scheduled end of the program they are participating in. Please allow extra time for parking and plan to arrive a few minutes prior to the end of the program.

Children must be picked up from the classroom where the instructor will sign out the child to their parent or designated guardian.

If a parent/guardian is not there to pick up a child, we are required to take the following steps:

- Staff/Instructors will accompany the child to either the office or Front Desk of the Cultural Centre.
- Staff will attempt to contact the designated parent/guardian.

Please make sure your telephone numbers are up to date in the City's Registration System.

If a child is picked up late from class three times consecutively, with delays exceeding 5 minutes, they will be automatically withdrawn from the course without a refund. This monitoring process will be overseen by our teachers and staff.

Children under the age of 12 are not permitted to leave on their own. The designated parent/guardian can give approval for a child to leave after a class on their own by signing the *Safe Release* form. **This form must be signed in advance**. Staff can provide this waiver upon request.

The primary aim of this policy is to help us ensure the safety and comfort of children in a public building, given that our instructors and staff cannot always be available for supervision. We appreciate your cooperation in this matter.

Please visit the Richmond Cultural Centre and Annex or contact ArtsPrograms@richmond.ca for handouts with this policy information.

Music

MUSIC - TINY TOTS PIANO PROGRAM - ADULT AND TOT - RICHMOND MUSIC SCHOOL - PRESCHOOLERS

Plant the seed of musical curiosity in this specialized piano program led by an early childhood music educator from the Richmond Music School. Young musicians build creative confidence by learning the fundamentals of music in a nurturing environment and learn on a "tiny piano," a toddler friendly instrument with 25 keys designed for early childhood cognitive development and physical growth. In addition to playing the piano, students enjoy fun activities that include movement and singing. The small class size (6) allows for more time and attention for individualized instruction and structured activities.

Adult participation is required. Each registration includes 1 child and 1 adult. \$35 non-refundable piano use fee charged when registering. For registration past the third session phone the Richmond Cultural Centre Annex at 604-247-8338.
